Mentee Profile Page

The screenshot shows a web browser window with the URL `localhost:3000/profile`. The main content is a profile card for a user named Raghav, who is a 1st year at Chandigarh University. The profile includes a pixelated profile picture of a person with dark hair and a blue and red hoodie. Below the picture, the name "Raghav" and "1st year at Chandigarh University" are displayed. To the left of the profile picture is a sidebar with icons for notifications (0), messages, and a user profile. The profile card also features a "Topic of Interests" section with a bulleted list: Data Structures, Web Development, Cryptography, and Web3. On the right side of the profile card is a form for entering Leetcode and GitHub usernames, with a "SAVE" button. At the bottom of the profile card is a "Links" section with three items: Leetcode Profile, Github Profile, and Email: `raghav4875.rs@gmail.com`. A performance summary at the bottom shows C++ completion at 55% (9 questions solved last week, 21.6 (1.5%)), and skill set developed at 16% (23 (14%)). The browser's taskbar at the bottom shows various open tabs and system status.
